

## Mission

Brock Community Health Centre (Brock CHC) exists to optimize the health of residents of Brock Township and surrounding areas through access to and timely service delivery of quality primary health care services, health promotion, education and illness prevention.

## Vision

To maximize the health and well-being of residents of Brock Township and surrounding areas through the continuous pursuit of accessible, exceptional, integrated and sustainable health care resources, services and programs. Services will be provided by a collaborating multi-disciplinary team supported by committed community partners.

## Values

Confidentiality – We respect and protect the right to privacy of all individuals and the organization; further, we strive to ensure that client confidentiality is maintained.

Compassion – When addressing health or social challenges, individuals and families are often vulnerable. We strive to respond in a compassionate, caring and holistic manner.

Excellence – We are committed to excellence in all aspects of health care provision.

Respect – We believe that every individual is entitled to be treated with respect at all times.

Partnership – We believe partnerships strengthen the community's ability to support clients where they live.

Education – We believe continuous learning is essential for promoting healthier communities.
